No. 91. Read the following Proceedings of the Board of Revenue, dated 26th October 1871, No. 4510:—

Read the following letter from the President of the Local Fund Boards, Nellore, to the Acting Secretary to the Board of Revenue, dated 4th October 1871, No. 25:—

With reference to Proceedings of the Board of Revenue, dated 22nd September 1871, No. 4072, I have the honour to state that the sum of Rupees 2,018 in question will be fully met by the annual contribution of the Rajah of Vencatagherry to the institutions, by local subscriptions, and the sale proceeds of medicines, &c.

2. The Rajah contributes Rupees 1,800 a year, the average receipts from sale of medicines and subscriptions amount to Rupees 200, and the interest accruing on the funded capital is about 400 Rupees.

3. The receipts from these sources seem to have been omitted from the budget of the Municipality of Nellore, owing to the institutions not having been formally made over to that body.

4. The apprehended deficit is thus only apparent, and no further provision is required to be made by either the Local Fund or Municipal Board.

Communicated to the Acting Inspector-General, Indian Medical Department.
