No. 103. Read the following letter from the Acting Collector of Bellary, to the Chief Secretary to Government, Fort St. George, dated Bellary, 13th November 1871, No. 99 :—

With reference to paragraph 4 of the Order of Government, No. 314, dated 18th ultimo, the Vice-President of the Pennakondah Local Fund Circle has pointed out that the schools which have hitherto been inspected in that circle are only four in number, viz., two elementary Anglo-Vernacular Schools of very recent origin, and two schools of the lower class, and that thus there is little or no work to occupy a Deputy Inspector. He, therefore, proposes to postpone budgetting for the Deputy Inspector's salary till 1873-74, by which time several other schools will have been established.

2. The Board would, of course, contribute towards the salaries of the other two Deputy Inspectors in proportion to the assistance they might render. I have the honour, therefore, to request the sanction of Government to this proposal."

No. 104. ORDER THEREON, 28th November 1871, No. 714.

The suggestion seems reasonable under the circumstances, and is sanctioned.
