Church of Scotland,
Senior Chaplain's Office,
Madras, 30th October 1871.

From

The Revd Alexander Walker,
Senior Chaplain,
Church of Scotland
Madras.

To

The Honorable R. S. Ellis, C.B.,
Chief Secretary to Government,
Fort St George.

Sir,

I have the honor to forward herewith for the sanction of the Right Honorable the Governor in Council the Estimate of Expenditure in connexion with the Church of Scotland for the year 1872-73.

2. There are very few points which seem to call for explanation. With regard to House Rent, I may state that I have entered the sum under this

head in anticipation of a favorable reply to my letter on the subject, dated 31st July last, and in the prospect of there being two Chaplains at the Residency, town during next Official year. The work at Madras, always heavy, will be greatly increased by the transference of the 2d Battalion of the Royal Scots Fusiliers to Fort St George. That Regiment was at Secunderabad when I was stationed there, and at that time there were belonging to our Church nearly two hundred of the men, of whom, according to my Visiting Book, twenty-seven were married. Then, too, six of the Officers were Presbyterians. Doubtless many changes may have taken place in the Regiment during the past three years, yet it probably still contains a large number of Presbyterians. And however desirable it might be to have a Chaplain of our Church at Bellary, I feel we cannot take up another station with our present limited Staff. For several years past, with the exception of a few months, we have never had more than three of our number in India. It has thus been next to impossible for any of us to avail ourselves of the Privilege Leave which is considered necessary for the health of all Public Officers. I therefore venture to suggest that the Assistant Chaplain nominated to fill the vacancy caused by the retirement of the Rev Stewart Wright, should on his arrival be stationed at Madras, to long

as his services may not be required at Bangalore or Secunderabad, and in the hope of such an arrangement being approved of I have entered House Rent for two Chaplains.

3. Travelling allowance, last year, was sanctioned for Secunderabad only, but I hope the Government will be pleased to reconsider the claims of Madras and Bangalore on this point. Amongst the Invalids at Poonamallee there are always men belonging to our Church, and next year, during Rifle Practice, we may expect to have not a few at Palaveram also. I believe the Government will at once admit that it is not desirable that these men should be left entirely without the services of a Minister of their own Church. And the Chaplain at Bangalore should also have it in his power to visit the many Presbyterians scattered throughout Mysore and Coorg — I trust therefore, considering the importance of the work, that the amount entered under the head of Travelling Allowance will be sanctioned.

4. Furniture and Repairs — under this head there is a small increase of one hundred Rupees for the Church at Madras.

5. On the other hand, there is a reduction of three thousand and six hundred Rupees — the difference between the salary of a Chaplain and that of an Assistant Chaplain. I beg therefore most respectfully to
