Proceedings of the Madras Government, Financial Department,
5th December 1871.

No. 15. Read the following Circular from the Officiating Comptroller-General, to all Accountants-General, dated Calcutta, 17th November 1871, No. 127:—

The Accountant-General, Public Works Department, has represented that Controllers of Public Works Accounts are much inconvenienced by the call made upon them to furnish quarterly lists of unpaid cheques, and I have accordingly to request that the lists may not be required any longer. The Accountant-General suggests that the information may be obtained by you from your Treasury Officers, who are furnished every fortnight with lists of the cheques drawn upon them by Executive Engineers, and who can always ascertain what cheques have not been presented for payment. He also suggests that the differences between the balances of the Public Works Department, as reported to you by Treasury Officers and Controllers, will represent the unpaid cheques. At all events you will doubtless be able to devise means of obtaining the information independently of the Controllers.

2. I have also to request that you will not in future call for any new returns from the Public Works or Military Account Departments without previous communication with me.

No. 080.

Copy forwarded to the Secretary to the Government of Madras for information.

(Signed) E. GAY,
Deputy Comptroller-General.
