FROM

THE HON. R. S. ELLIS, C.B.,
Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to forward, at the instance of the Acting Accountant-General, with reference to Government of India Resolution, dated 14th July 1871, No. 2928, the accompanying copy of the Proceedings* of Government, dated 22nd November 1871, No. 557. I am to point out that the words of the resolution referred to in the correspondence are "in future in calculating pensions," and, as this calculation is made finally by the Local Government, I am to submit that, whatever the intention, the rule as worded applies to all orders passed after its date without reference to the dates of the retirement of the applicants.

* Pension Department.

I have the honour to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
6*th December* 1871.

Chief Secretary.

Proceedings of Government, Pension Department.

From the Acting Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 17th November 1871, No. 389.

Pension Department.

In the Government Orders quoted in the margin, pensions have been sanctioned to the full extent of fractions of a rupee for services which ceased to be rendered before the 31st July last, evidently with reference to the Government of India Notification of that date, No. 2505. I have, however, the honour to point out that the Notification referred to cannot have retrospective effect, since the words "in future" are used in it, and that if it be prospectively read in the present instances all the pensions sanctioned from the 31st July for services completed before that date, or from date of receipt of the Notification in question by the Local Government, would require revision in amount.

Order, 22*nd November* 1871, *No.* 557.

The words "in future" appear to Government to refer to calculation of pensions, and not to retirements, after the date of the Resolution.
