Proceedings of the Madras Government, Financial Department,
6th December 1871.

No. 19. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort St. George, dated Fort William, 17th November 1871, No. 4929 (Accounts):—

I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to call upon Treasury Officers to report whether they possess properly-adjusted balances and minimum weights for ascertaining whether coins tendered at the Treasury have lost more than the prescribed allowance in weight, and to state when the scales and weights were received and how.

2. An abstract of the reports should be submitted to the Government of India in this Department.

Copy forwarded to the Comptroller-General, with a request that a similar return may be furnished for Treasuries which render their accounts to the Treasury and Departmental Accounts Branch of his Office.

No. 20. ORDER THEREON, 6th December 1871, No. 753.

The Accountant-General will call upon Treasury Officers to furnish him with the information required by the Government of India, and submit an abstract of the same for transmission to that Government.
