Proceedings of the Madras Government, Financial Department,
20th December 1871.

No. 94. Read the following Proceedings of the Board of Revenue, dated 15th December 1871.

Read the following letter from the President of the Local Fund Board, Chingleput District, to the Secretary to the Board of Revenue, dated Sydapet, 5th December 1871, No. 592:—

I have the honour to report that the Local Fund Board, for the Sydapet Circle, have approved of the marginal works for execution, and santioned the estimates for them, amounting to Rupees 400-4-8, and Rupees 550, respectively, which are Rupees 30-4-8, and Rupees 200, in excess of the amounts provided for them in the budget. The President of the Sydapet Schools' Committee has suggested, that the excess of Rupees 230-4-8 may be met from the allotment of Rupees 2,700, provided for the construction of a building for the Sydapet Primary School, and this has been acceded to by the Board, in Resolutions passed at their late meetings; and I request, therefore, that these transfers may be approved of, and communicated to the Controller of Public Works Accounts.

1. Erecting a compound wall on the road side of the Sydapet High School.
2. Making alterations and additions to the above school.

2. The Circle Board propose to entrust the supervision of both these works to the Sydapet Schools' Committee, as requiring no professional skill, and sanction is requested to this being done; I should add that the former of these works has been already nearly completed, but that through oversight (this being the first case of the kind) the agency was not reported earlier.

3. As the Schools' Committee are anxious to put the work in hand at once, and have it completed during the Christmas holidays, the favour of early sanction is requested.

The transfer of Rupees 230 from the allotment for the Sydapet School building to petty works and repairs, as proposed by the Circle Board, seems to be unobjectionable.

The compound wall is a new work; the Board sanction the transfer of Rupees 30 to it.

The other item appears in the budget as a repair: Government will accordingly be requested to sanction the transfer of Rupees 200 to it.

The works being without doubt such as do not require professional skill, the Circle Board may entrust the supervision to the School Committee.
