Proceedings of the Madras Government, Financial Department,
6th March 1871.

No. 7. Read the following letter from the Commissioner of Paper Currency, to the Chief Secretary to Government, Fort Saint George, dated Madras, 23rd February 1871, No. 346 :—

I have the honour to bring to the notice of Government that at present the Currency Treasury is overwhelmed with work. There are forty-four lakhs of Rupees received from the Madras Bank and the Deputy Commissioner of Paper Currency at Trichinopoly to be "shroffed" and assorted. The present establishment of six Coin Assorters, whose ordinary duties keep them fully engaged, is quite inadequate to accomplish this amount of work in reasonable time.

2. Being desirous of completing the shroffment of the said forty-four lakhs of Rupees before the removal of the currency reserve to the Fort, I request that Government will be pleased to allow me to engage six extra Assorters, at 7 Rupees each a month, from 1st March 1871, until such time as the work may last. This expenditure will be charged in the monthly contingent bills of this Department.
