No. 226. Read the following Proceedings of the Board of Revenue, dated 9th July 1872, No. 4752 (Miscellaneous):—

Read the following letter from the Vice-President of the Coimbatore Southern Circle Local Fund Board, to the President of the Local Fund Boards, Coimbatore, dated Kangayam, 15th June 1872:—

With reference to your letter, No. —, dated —, I have the honour to enclose a draft notification, prescribing the limits, &c., of the Kangayam Union.

2. Sometime has been taken in the preparation of the house register, which having now been completed it is seen that the number of houses liable to tax in the hamlets proposed to be included in the union is 1,138, which, after consideration of the structure and dimensions of each, have been classified as shown in the margin.

2nd Class	...	1
3rd ,,	...	14
4th ,,	...	86
5th ,,	...	606
6th ,,	...	431
Total	...	1,138

3. As the rates specified in the Schedule A annexed to the Local Fund Act are by no means excessive, I have thought it proper to adopt those rates without modification, and I have fixed on the 1st April as the date from which this tax will be payable; as it appears desirable that the year from which the tax is payable should be the official year, and as the Kangayam School is already established, I have thought that the notification should have retrospective effect from the beginning of the current official year.
