No. 11. Read the following letter from the Commissioner of the Neilgherry Hills, to the Chief Secretary to Government, Fort St. George, dated Ootacamund, 10th July 1872, No. 34:—

I have the honour to reply to Government Order, No. 644, of 14th May 1872, calling for information on certain matters connected with the Budget Estimates of the Coonoor Municipality for 1872-73.

2. Regarding the *tolls* the Commissioners make the following observations:—

"The toll is at present stationed at the chuttrum (the one at the top of the ghaut).

"This is to prevent bullocks, &c., passing across the Black Bridge and entering the market from the other side and thus escaping the payment of the toll."

To meet the objection raised the Municipality propose to partition off a part of the chuttrum and open out a door on the side facing the market.

This would prevent all possibility of interference on the part of the toll collector with the traffic to Ootacamund, Wellington, or elsewhere.

"The rates of toll charges are as follow:—

Bandy-load,	2	Annas.
Bullock ,,	½	Anna.
Pony ,,	½	,,
Ass ,,	¼	,,
Head ,,	¼	,,

"The toll has been leased out, and the collections are made by the native who has rented the same.

"The Municipality has the right to demand this toll under the sanction of their Bye-law No. 32."

3. No objection seems to exist to the proposed transfer of the allotment for water channels to "Communications."
