Proceedings of the Madras Government, Financial Department,
3rd August 1872.

No. 39. Read the following letter from the Acting Director of Public Instruction, to the Secretary to Government, Fort St. George, dated Madras, 22nd July 1872, No. 1571 :—

Referring to paragraph 4 of the Proceedings marginally noted, I have the honour to submit, for the orders of Government, an application for a lump grant of Rupees 807-9-6, the average of the collections of three previous years, for the Moolky Union School for 1871-72.

Govt. Procs. (Financial), dated 17th August 1871, No. 342.

2. The application does not show that an equivalent sum from Local Funds has been credited to the Union Fund, but it appears that there was a deficit of Rupees 987-7-2 in the transactions of the Union during the past official year. The receipts from house-tax during the current year is estimated at Rupees 1,160.

From the President of the Local Fund Board, Canara Circle, to the Acting Director of Public Instruction, dated Mangalore, 11th July 1872, No. 290.

With reference to the Proceedings of Government in the Financial Department, dated 24th August 1871, No. 392, I have the honour to request that you will be so good as to obtain the sanction of Government for a lump grant being issued to the Moolky Union School in this Circle for the year 1871-72, as per memorandum herewith submitted.

2. It has been prepared with reference to paragraph 4 of G. O., 17th August 1871, No. 342, Financial Department, from the accounts of collections received from the Chief Commissioner of the School.

3. The transactions of the Union in question during the past official year, 1871-72, have resulted in a deficit of Rupees 987-7-2, in consequence of the estimated collections from house-tax under Act IV. of 1871 not having been realized within the end of the year, owing to the orders of Government on the notifications regarding the limits of the School Unions having been received in the last month of the year, as well as to the Government grant not having been drawn within the close of the year.

4. In G. O., 3rd August 1871, No. 216, Educational Department, Government sanctioned a lump grant for this school for the official year 1870-71, amounting to Rupees 849-6-8. The grant has been drawn and credited in favour of the Union.

STATEMENT showing the collections of the Moolky School during the official years 1868-69, 1869-70, and 1870-71, and the proposed adjustment of the grant for the official year 1871-72.
