Proceedings of the Madras Government, Financial Department, 3rd August 1872.

No. 53. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Dowlaishweram, 28th June 1872, No. 1229 :—

I have the honour to bring to the notice of Government that an estimate, amounting to Rupees 4,040, was sanctioned in G.O., No. 85, dated 7th June 1870, for the improvements to the Sub-Magistrate's cutcherry at Kottapetta and an outlay of Rupees 162 incurred on it in collecting materials.

2. The balance of the estimate, viz., Rupees 3,878, was applied for by me in my Provincial Budget for the current year ; but no funds have been allotted by Government. Under the circumstances stated in the accompanying copy of a letter received from the Magistrate of Godavery I am obliged to apply again for the amount above referred to, and in so doing to request you will be good enough to move Government to re-allot the Rupees 3,000 cancelled in G. O., No. 1462, dated 13th June 1872, to enable me to authorize the re-commencement of the improvements to the Kottapetta Sub-Magistrate's cutcherry.

From the Assistant Magistrate, to the Acting Magistrate of the Godavery District, dated Cocanada, 20th February 1872, No. 42.

I have the honour to inform you that the Sub-Magistrate of Kottapetta reports that the repairs of his cutcherry building not having yet been completely executed it has become inconvenient for him to hold his office in that building. I, therefore, request you will have the goodness to request the Superintending Engineer to order the completion of the work without further delay.

Forwarded to the Superintending Engineer, 1st Division, with a request that he will have the goodness to issue the necessary orders on the subject.

(Signed) H. E. SULLIVAN,
Acting Magistrate.

Referred to the Judicial Department with a view to its being considered in that Department whether the 3,000 Rupees provided in the Provincial Budget for alterations and addition to the Superintending Engineer's office at Dowlaishweram, and which it is not proposed to appropriate to that work, had better be expended on the Sub-Magistrate's cutcherry at Kottapetta or on any other of the same nature.
