Charge proposed to be incurred in the entertainment of an establishment for preparing the survey of the lands round Railway stations in Madura District, sanctioned. Orders to be issued in the Financial Department for the allotment of funds. (Dated 22nd June 1872, No. 971.)

No. 102. From the Officiating Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Koriarhead, 25th July 1872, No. 283.

With reference to G. O., No. 32, dated 6th May 1872, sanctioning the employment, for a further period of two months, of the temporary lascars required for the survey of the lands around the Railway stations, I have the honour to inform you that the survey has been completed, but, owing to the storm and heavy rain of the 30th April and 1st May, and the consequent unfavourable state of the ground for some days afterwards, which hindered the progress of the survey greatly, it has been found necessary to employ the temporary lascars for fifteen days in excess of the period sanctioned in the above G. O. The lascars were entertained on the 14th April and were discharged on the 28th June.

2. I request, therefore, that sanction may be granted for Rupees 12, being the amount of the pay of the lascars for the fifteen days they were employed in excess of the period sanctioned.
