No. 127. Read the following Proceedings of the Board of Revenue, dated 7th August 1872, No. 1516:—

Read the following letter from R. K. PUCKLE, Esq., President of the Local Fund Board, Tinnevelly, to the Secretary to the Board of Revenue, dated 11th June 1872, No. 240:—

I HAVE the honour to forward, for the sanction of the Board of Revenue, an estimate of 7,850 Rupees for metalling a further section of the Palamcottah and Trichendur road which at present is metalled for only fourteen miles of its length.

2. This road leads to the most important salt-pans in the district, and great inconvenience is now experienced by cartmen in ploughing through the heavy sand that this estimate is intended to cover in.

3. It is proposed to lay out the full amount of this estimate during 1872-73 and 1873-74, and I request that the Controller may be instructed to place 4,000 Rupees at the disposal of the Department Public Works from the Local Fund Reserve of this Circle for expenditure during this year.

4. I enclose a copy of the resolution of the Local Fund Board sanctioning this estimate.

2. The object of the work is to obviate the great inconvenience now experienced by cartmen in passing over the sandy track which leads to the most important salt-pans in the district.
