No. 1110.

FROM

THE HON. R. S. ELLIS, C.B.,
Chief Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed with reference to the despatch of the Secretary of State to the Government of India, No. 171, dated the 25th April last, stating "that the necessary measures will be taken in England for deducting four per cent. from the furlough allowances of Civil Servants of the several Presidencies which are paid at the India Office, excepting furlough allowance when it is at the minimum and substantive allowance," to request that the Government of India will be pleased to represent to the Secretary of State that these deductions have not hitherto been made on a uniform system in all the Presidencies.

2. It will be observed from the letter* from the Secretary to the Civil Fund that many of the items in the "list of various allowances" which in Bengal are subject to deduction have no existence in Madras, and that it has not been the practice to make any deduction from either the furlough allowance at half-salary, or from the minimum furlough allowance of the Civil Servants of the Madras Presidency. As it would appear that it was only the intention of the Secretary of State to maintain the existing practice in respect of the deductions of four per cent., His Excellency the Governor in Council hopes that the Government of India will support the application that no change be made as regards the furlough allowances of the Civil Servants of this Presidency.

* Dated 29th February 1872, copy enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

OOTACAMUND,
22nd August 1872.

Acting Under Secy. to Govt.,
for *Chief Secretary.*

From the Secretary to the Civil Fund, to the Acting Chief Secretary to Government, Fort St. George, dated Madras, 29th February 1872.

With reference to the Proceedings of Government, dated 16th instant, No. 168, I am desired by the Trustees of the Civil Fund to forward, herewith, an accurate statement of the allowances which are according to the actual practice of the Fund subject to deduction of four per cent.
