No. 151. Read the following Proceedings of the Board of Revenue, dated 12th August 1872, No. 5543 (Miscellaneous):—

Read the following letter from the President of the Local Fund Boards, Malabar, to the Secretary to the Board of Revenue, dated Calicut, 24th July 1872, No. 212:—

I have the honour to request sanction for the employment of an additional Clerk on 30 Rupees for the Local Fund Board work of this district.

2. Previous to the introduction of the new Act, a Local Fund Clerk on 50 Rupees was always entertained in this office, and to this was added last year an additional Clerk on 25 Rupees for each circle. It has been found, however, that this additional establishment does not meet the increased pressure thrown on this office.

3. The correspondence and accounts connected with the numerous schools and hospitals, now for the first time placed under Local Funds, is enormous.

4. The Local Fund Treasury accounts, which have now to be compiled in the Huzoor, require great labour, and cannot be prepared by the regular Account Department without assistance from the Local Fund Clerks, and the work is doubled by the necessity of preparing a separate account for each circle.

5. I am satisfied that the increase now applied for is absolutely necessary for the present.

6. Possibly, when many of the pending questions have been settled, schools mostly supplied with books, furniture, &c., and things get into a regular system, it may be found possible to dispense with the extra establishment now proposed.

7. The pay of the Head Local Fund Clerk is debited to the Calicut and Tellicherry Circles in the proportion of three-fifths and two-fifths, and the same might be maintained. The cost of establishment would thus be—

The foregoing application is for a temporary Clerk on Rupees 30 per mensem, required for the Collector's Office, in addition to the clerk already attached to it permanently from 1st April 1869.
