No. 161. Read the following letter from the Accountant-General, to the Secretary to Government, Pension Department, Fort St. George, dated Fort St. George, 14th August 1872, No. 310:—

Audit Department.

I have the honour to forward copy of a letter from the First Assistant Resident, Hyderabad, No. 1480, dated 6th instant, and to request, with reference to paragraphs 4 and 5* of Comptroller-General's letter of the 2nd ultimo, No. 645, that you will obtain the sanction of Government for the payment of such pensions as are in arrears for more than six months.

2. The cause of these arrears is not known to this office, but I would ask, as a special case, that Government may be pleased to sanction the payment, as the pensioners have been latterly, from circumstances beyond their control, connected with the abolition of the Military Paymastership, kept without their stipends for a considerable time.

3. Permission is also requested for the payment to the heirs of deceased men of the arrears that were due to them at the time of their death, upon the Resident being satisfied that the claimants are the legal representatives of the pensioners.

* Adverting to your letter, No. 940, of the 6th May last, enclosing a further list of Carnatic Stipendiaries to be paid from the Hyderabad Treasury, I have to observe that, as the pensioners named in the margin have not drawn their pensions for more than six months, the orders of the Local Government, agreeably to Section 88 of the Civil Pension Code, authorizing the payment of the arrears, should be furnished to this office.

Kingata Sultan Hoossein Bee Bee Begum.

With regard to the deceased pensioners, alluded to in your second paragraph, I have to request that you will forward a statement showing the names of the pensioners and of their heirs, as well as the amounts actually due to them. In case the arrears are for more than six months, the orders of the Local Government authorizing their payments are required by this office.

From the First Assistant Resident, Hyderabad, to the Accountant-General, Madras, dated Hyderabad Residency, 6th August 1872, No. 1480.

Docket.—With reference to endorsement, without number and date, from the Assistant Accountant-General, Madras, forwarding extract paragraphs 4 and 5 of letter from the Comptroller-General of Accounts, No. 645, dated 2nd July, requesting that the orders of the Local Government may be obtained for the payment of certain pensioners which have been due for more than six months, and which have to be disbursed from the Hyderabad Political Treasury in consequence of the abolition of the Secunderabad Pay Office, inquires whether the necessary action has been taken for obtaining from the Madras Government the authority required by the Comptroller-General of Accounts, or whether this authority is expected to be granted by the Resident.

2. As endorsement under reply forwards the extract above referred to for information and *guidance*, it is probable that the *Resident's* sanction is sought to be obtained to payment of the arrears; but, as the pensioners in question have not yet been regularly transferred to the Hyderabad Political Treasury, the last payments on their account having been made from the Secunderabad Pay Office, which was subordinate to the Madras Government, the orders of that Government and not of the Resident would appear to be necessary.

3. This office, moreover, is not in possession of information as to the periods for which arrears are due to the pensioners.

No. 162. Order thereon, 26th August 1872, No. 1127.

The Governor in Council sanctions the payment of the pensions due to the Carnatic Stipendiaries Kingata Sultan Hoossein and Bee Bee Begum.

Proceedings of the Madras Government, Financial Department,

2. He also sanctions the payment of any arrears of pension due to deceased stipendiaries to their legal heirs.
