Proceedings of the Madras Government, Financial Department,
26th August 1872.

No. 165. Read the following letter from the President of the Municipal Commission, Cuddalore, to the Chief Secretary to Government, Fort St. George, dated Cuddalore, 14th August 1872, No. 309:—

It has just come to my notice that the stipends of two medical pupils posted to the Civil Dispensary at Cuddalore, under the orders of the Inspector-General, Indian Medical Department, are defrayed from municipal funds under the authority of paragraph 4, Government Order, Financial Department, dated 7th December 1871, No. 755, and up to the end of last month Rupees 84 have been recovered from the Commissioners on this account—*vide* memorandum annexed.

2. These lads are appointed under the orders of His Excellency the Commander-in-Chief, and are attested for military service. I am sure that the Government will agree with me that they do not come under the head of "Medical Subordinates employed in Dispensaries," referred to in the Government Order quoted above, and request that orders may be issued for the refund of the sum already disbursed to the Municipality, and for debiting the stipends of these pupils for the future to the proper head.

3. Copies of the extracts from G. O. C. C., appointing the students and posting them to the Civil Dispensary at this station, are enclosed for the information of Government.
