ABSTRACT.—Requesting the Board of Revenue to report the arrangements necessary to be made with reference to a proposal of the Directors of the Madras Bank for closing the branches at Trichinopoly, Masulipatam, and Madura.

THE Board consider that the establishments discontinued when the Branch Banks were opened in the districts of Kistna, Trichinopoly, and Madura should be now revived. No. 189. Proceedings of the Board of Revenue, dated 14th August 1872, No. 1585.

Read the following letter from R. TAYLOR, Esq., Officiating Accountant-General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort St. George, 9th August 1872, No. 3,639 :—

WITH reference to Proceedings of Government, No. 933, dated 20th ultimo, I have the honour to enclose a Statement, showing in detail the former and present charge of the Huzoor Treasury Establishments at Masulipatam, Trichinopoly, and Madura. As the pay of the Cash-keeper at neither place has been reduced, I presume the amount of his security has not been changed, and the arrangements required are confined to the re-placement of some men dismissed.

2. It is desirable to make at Trichinopoly only temporary arrangements until Government of India orders shall have been received on the proposal to amalgamate the Currency Circles of Trichinopoly and Madras. Although the Head Commissioner opposes the proposal (on the ground that it was discussed a few years back and apparently rejected) I should think its approval likely, as this Government, which formerly opposed, now supports it. Orders cannot be long delayed.

3. I annex details of the establishment of the Currency Office at that place :—

ENCLOSURE No. 1.—Statement.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 14th August 1872, No. 1,582.

2. In the District of Kistna the security of the Cash-keeper has been lately reduced to Rupees 1,000. It will be increased to the proper sum of Rupees 5,000 when the Treasury is re-transferred to the Collector.

3. In reviving the old establishments on the re-transfer of the Treasuries, the Collectors of Madura and Trichinopoly will endeavour, as far as possible, without doing injustice to the claims of the persons thrown out of employ when the Branch Banks were introduced, to provide for the persons now employed on the establishment of the Trichinopoly Currency Circle, and referred to by the Accountant-General as likely to be thrown out of employ shortly.

No. 190. ORDER THEREON, 26th August 1872, No. 1144.

The Governor in Council sanctions the proposed establishments for the District Treasuries to be revived at Masulipatam, Trichinopoly, and Madura, consequent on the abolition of the Branch Banks at these stations.

2. The charge for the existing Treasury Establishments amounts to Rupees 453 per mensem, as shown in the statement embodied in the first of the Proceedings above recorded, and the additional charge is Rupees 491.

3. It is observed, however, from the memorandum furnished by the Officiating Accountant-General, dated the 9th August, and submitted with the second of the Board's Proceedings, No. 1585, that the Treasurers on the existing establishments draw Rupees 125 each, in accordance with the orders of Government in the Revenue Department, dated the 26th August 1867, No. 1989, and that the additional charge to be provided will not exceed Rupees 356, viz. :—

| | Existing. Rs. | Proposed. Rs. |
|---|---|---|
| Masulipatam ... ... ... ... ... ... ... ... ... ... ... | 216 | 322 |
| Trichinopoly... ... ... ... ... ... ... ... ... ... ... | 186 | 322 |
| Madura ... ... ... ... ... ... ... ... ... ... ... | 186 | 300 |
| | 588 | 944 |
| Difference ... | | 356 |

4. This excess will be met during the current year from savings under "Grant 15, Administration."

5. The instructions issued by the Board of Revenue in paragraph 3 of their Proceedings, No. 1585, to the Collectors of Madura and Trichinopoly, to provide for the establishment of the Trichinopoly Currency Circle, are approved.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th December 1871.

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 18th November 1871, No. 2,295:—

WITH reference to the India Government notification of the 14th October 1871, No. 4,359, and to Government Order, Public Department, No. 606, dated 25th idem, I have the honour to state, that the establishments under Local Funds in this District comprise persons employed in the Local Fund Departments organized under Act IV. of 1871 and in the Jungle Conservancy Department.

2. Prior to the introduction of the Local Fund Act, there were the Local Fund Overseers in the Public Works Department paid from District Road Fund, and the Jungle Overseers and Inspectors paid from the Jungle Conservancy Fund. Since the passing of the new Act, office establishments have been added, and the establishments of Schools of Deputy-Inspectors and Dispensaries have been transferred to the Local Fund.

3. It is a question whether, under the new Rules notified by the Government of India, contributions towards pension should be levied or not from the officers transferred to, or entertained from, the Local Funds. A list of such officers is given in the margin.

*I. Road Fund.*

Local Fund Overseers and Maistries.
Local Fund Office Establishment.
Accountant in the Collector's Office, paid from Local Funds.

*II. Education.*

Deputy-Inspector of Schools.
Inspecting Schoolmasters.
Schoolmasters in the Local Fund Schools.

*III. Medical Services.*

Native Surgeon, attached to the Branch Dispensary.
Apothecary, attached to the Ongole Civil Dispensary.

*IV. Jungle Conservancy.*

Overseers and Inspectors.

4. Under the orders of 1868, (Government of India, 24th April 1868, No. 2,197,) it was believed that those paid from Local Funds have had the same prospect of pension as Government servants, save that they were to be paid for their service in the Local Funds from those Funds; and it appears from paragraph 6 of the Government Order of 31st August 1871, No. 3,177, that the Local Government have the power of conferring the right of pensions upon them. I therefore request that the Government may be moved to sanction the continuance of the privileges referred to in the order of 1868, to those employed under the Local and Jungle Conservancy Funds; these Funds being exclusively under the control of Government and of a permanent character.

5. Such orders are very necessary, as without equal prospect of pension no servant on the regular establishment would be willing to accept appointments under Local Funds. It is nevertheless in the interests of the efficiency of the Local Fund Departments that free transfers from one department to another should be permitted. As a case in point a Head Clerk for the Nellore Circle having been sanctioned on 50 Rupees pay, no fit person for the post can be found except among those already in employ on the regular establishment, and I have therefore appointed my 2nd English Clerk, who draws the same salary already, to be Local Fund Head Clerk, pending the result of this reference. He is unwilling to remain in the post if he should have to pay the contribution referred to in Order of Government of India.

6. I request that the Board will be good enough to obtain clear orders in the case of the several officers specified in the list already given. Attention is drawn to paragraph 11 of the Resolution of the 14th October, which exempts the employés from contribution only in cases of mere temporary transfer to Local Funds. The appointments given in the list are all permanent ones for the time being; the employés however reserving to themselves the right of having the Local Funds for other departments at any opportunity; and they are all employed under Local Funds, to which the Rules of 1868 apply.

Submitted for the orders of Government.

2. The effect of the rulings of the Government of India passed in 1868 on the subject of pensioning employés on Local Fund establishments was discussed in Board's Proceedings, 27th April 1869, No. 2,840, in disposing of which the Madras Government confirmed a former order that all servants employed on the establishment of the District Road Fund should receive pensions if eligible under the rules.

To Bombay, 10th August 1868, No. 1,496, Financial Department.
To Oudh, 19th August 1868, No. 1,841, Financial Department.
To Madras, 20th November 1868, No. 3,252, Financial Department.
Government Order, Revenue Department, 23rd July 1869, No. 2,155.

3. They still continue "under the same conditions of service."

Rule III. of the Local Fund Rules.

4. With regard to pensions from the Jungle Conservancy Fund, no special orders seem to have been passed, but the question only arises in districts where the Fund is important and fulfils the two conditions, which make pensions allowable, viz., that the sources of income shall be permanent, and that they shall be under the control of Government.

Financial Resolution Government of India, 24th April 1868, No. 2,197, paragraph 5.

5. In a Resolution communicated to the Board with Government Order, Revenue Department, 8th November 1871, No. 21, the Government of India suggested that it would be best to leave pensionary claims on Local Funds to be met when they arise, and that it was to be considered whether the capital value of any pension granted should be placed at the time in a separate account. These points had been previously settled in the negative and Government apparently considered it unnecessary to pass orders on them again.

6. In a subsequent Resolution, the Government of India have declared that in all cases of temporary transfer to Local Funds (from which pensions may be granted) a contribution of one-fifth of the salary of the employé must be paid by him to Imperial Funds.

Financial Resolution, 14th October 1871, No. 4,359, (Accounts).

7. In this Presidency Imperial and Local Funds establishments being regarded as equally eligible in respect of absentee allowances and pensions, transfers and re-transfers from one to the other are frequent in the ordinary course of promotion, and it can seldom be said that such a transfer or re-transfer is permanent.

8. The existing rules under which, when service is spent partly on Local Fund establishments and partly on Imperial establishments, the cost of the pension shall be charged to Local Funds and to general revenue in the proportion of the total receipts of the pensioner from each source during the whole course of his service, is perfectly fair to Imperial interests, whilst the new rule of an arbitrary contribution to Imperial Funds from Local Fund allowances is not consistent with the present system of administration.

9. The Resolution has been communicated to the Board without remark, but pending further orders they propose to make no change.

Fin. Departt.

Sir,

I am directed to acknowledge the receipt of your letter No. 607 dated 25th October 1871, on the subject of the pensionary provision of employes under the Local Funds constituted under Madras Act IV of 1871, and in reply to communicate the following remarks.

The Government of India did not in em letter to the Government of Bengal No. 3177 dated 31st August 1871, express any opinion that a declaration that service in Local Funds should count for pension, would in all cases be unwise. As will be seen from para: 6 of that letter, they left that declaration entirely to the discretion of the local Government in the case of "local funds which will "beyond a doubt be able without embarassment "to meet the pensionary claims of employes." They withdrew the approval they had previously given to a scheme for the creation of a pension fund, under certain rules proposed by the Government of

of Bombay, believing the best plan was to meet the pensionary claims as they arise, out of Local Funds direct, and not from any invested fund produced by Subscriptions. -

3 It is accordingly entirely in the discretion of the Government of Madras, if it considers the funds named to be of the character above described, to declare service under them to be pensionable service, provided as said in the concluding part of para: 2 of your letter, it is distinctly understood that the pensions or such portions of them as may be chargeable to Local Funds, will be dependent on the solvency of those Funds, and that the Government will be in no way liable for the security of the payments, and provided also that the Government are satisfied that the funds may be legally applied to the payment of pensions

4 The Governor General in Council entirely concurs in the remarks in para: 3 of your letter.

I have the honor to be

Honored Sir,

I beg most respectfully to state that I am willing to take up the post of Local Fund Head Clerk kindly offered to me. As however I am doubtful as to whether service in the Local Fund Establishment counts for Pension, should the Employ be hereafter transplanted to the Imperial Establishment, I beg your Honor will be kindly pleased to obtain the decision of Government on this point, and in order that my previous service in the Revenue Department may not be lost in the event of the question being decided in the negative, to ask the Collector, under G. O. dated 4th Sept: 1871, No. 1516, to grant me leave for three months.

I beg to remain,
Honored Sir
Your most Obedt Servt

To, R. B. Barlow Esquire,
President of the Local Fund Board
of the Sydapet Circle.

Sir, The Head Masters and Teachers of the Sydapet Schools are very anxious to know if they will be eligible to pension, under the recent orders of Government, and if so, whether their services under the old Educational Act, will be taken to account. The settlement of this doubt is very desirable, and I have the honor to request that you will be good enough to obtain the orders of the higher authorities on the subject.

I have the honor &c.
