Proceedings of the Madras Government, Financial Department,
3rd September 1872.

No. 7. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 16th August 1872, No. 1939:—

Accounts.

Read again the following correspondence:—

Letter from the Government of the Punjab, No. 567, dated 7th July 1871, applying for an addition to the grant for Provincial Services to provide for the adjustment of payments made in Bombay to officers proceeding to Europe from the Punjab, whose salaries are chargeable to Provincial Services.

Reply to ditto, No. 2147, dated 18th July 1871, stating that the grant for Provincial Services was fixed, not with reference to the actuals of any year, but on the basis of the estimates for 1870-71, which included, under salaries, the pay of absentees as well, and that the demand of the Bombay Government should accordingly be paid by the Government of the Punjab without any addition to its assignment for Provincial Services.

Resolution.—Lately it was ordered that the absentee pay issued in England to officers absent from appointments, chargeable to Provincial Revenues, should be adjusted as an Imperial charge to the relief of Provincial Revenues, though the allotment for Provincial Services included provision for the charge. Absentee pay issued in India was advisedly excluded from that concession, it being payable from the provincial allotment for the province to which the absentee belongs, under the ruling of 18th July 1871, which is of general application, even to the cases of officers proceeding on leave to a sanitarium in another province; and the Governor-General in Council accordingly directs that the ruling be communicated, for guidance, to the several Local Governments and Administrations, the Comptroller-General, and the Accountants-General, and Deputy Accountants-General in independent charge.
