No. 7. Read the following letter from the Inspector-General of Registration, to the Chief Secretary to Government, Fort St. George, dated Madras, 22nd January 1872, No. 5 :—

In my Budget Estimate for 1871-72, I calculated that Rupees 6,000 would be required to meet the expense of the binding and carriage of Registers and Indexes. This amount was reduced in paragraph 6 of the Government Order, No. 1526, of the 22nd November, by Rupees 1,500, making the sanctioned grant Rupees 4,500.

2. This reduction was mainly based on the small expenditure on binding in 1869-70. The smallness of the expenditure both in that and in some of the previous years was owing to many of the Registrars having entirely neglected to carry out the orders relating to the binding of the Indexes and also of certain Registers issued in loose sheets. The result has been that a large amount of expenditure has had to be incurred both last year and this year in meeting charges appertaining to former years, and the accounts already received show that the sanctioned grant of Rupees 4,500 will not be sufficient for the expenses already incurred and still remaining to be incurred under these two heads.

Salary of Registrar of Tanjore ...	421
Travelling allowances...	300
Total ...	721

3. On the other hand, there will be a probable saving under the two heads noted in the margin.

4. I beg, therefore, to recommend that the grant for the binding and carriage of Registers and Indexes be raised from Rupees 4,500 to Rupees 5,200. The actual expenditure of last year under these heads was Rupees 4,859-10-8.

5. The total collections, remittances, and disbursements of the first seven months of the official year are shown in the margin.

No. 8. ORDER THEREON, 5th February 1872, No. 117.

The Government authorize the additional expenditure incurred for binding and carriage of Registers and Indexes during 1871-72 being met from savings in the general budget assignment for the Registration Department for that year.

2. Under this authority it is unnecessary to make any change in the budget grants.
