Proceedings of the Madras Government, Financial Department, 9th September 1872.

No. 46. Read the following letter from the President of the Municipal Commission, Godavery District, to the Chief Secretary to Government, Fort St. George, dated Cocanada, 15th August 1872, No. 6:—

I have the honour to bring to the notice of Government that the members of the Cocanada Municipality have asked me to introduce the system of depositing all municipal funds with the Branch Bank of Madras at Cocanada separate from the Government Treasury into which the municipal accounts and funds are now merged, and of their receiving a pass-book from the Bank. This would not only enable them to examine the receipts and disbursements, but give them at any time an idea of the state of the funds, which, under the existing system, they have no means of ascertaining until the end of the month.

2. The course proposed, I observe, is consistent with Section 36 of Act III. of 1871 (Madras), and that no inconvenience could result from it. I request, therefore, that you will be good enough to obtain the sanction of Government for carrying out the proposal.

No. 47. ORDER THEREON, 9th September 1872, No. 1191.

The proposed arrangement is sanctioned.

2. The Collector will take the necessary steps for carrying it out.

3. These Proceedings will be forwarded to the Presidents of the marginally-noted Municipalities with a view to their stating whether a similar arrangement is desirable with regard to the funds of these Municipalities.
