Proceedings of the Madras Government, Financial Department,
12th September 1872.

No. 69. Read the following Proceedings of the Board of Revenue dated 5th September 1872, No. 6066 (Miscellaneous):—

Read the following letter from the Acting President of the Local Fund Boards, Ganjam District, to the Secretary to the Board of Revenue, dated Kasaboogah, 14th August 1872, No. 205:—

I have the honour to forward an extract from the Local Fund Board's Proceedings, Chicacole Circle, dated the 1st July 1872, resolving to apply for the special sanction of Government for taking a middle class grant-in-aid school at Julmoor under the management of the Local Fund Board and request the Board will be pleased to obtain the sanction of Government.

2. The extract of the Circle Board's Proceedings now submitted contains all the requisite information.

EXTRACT from the Proceedings of the Members of the Local Fund Board, Chicacole, held on 1st July 1872.

V. Read letter No. 405, dated 20th June 1872, from the Deputy Inspector of Schools, recommending that the Julmoor School be taken under the management of the Local Fund Board and be supported from Local Funds from the 1st of June 1872.

Read also Resolution No. 1 passed by this Board at a meeting held on 5th January 1872 and letter No. 37, dated 13th March 1872, from the President objecting to the course therein sanctioned. (Copies of both given below.)

Read letters Nos. 415 and 448, dated 7th and 17th October 1871, and No. 575, dated 10th December 1871, from the Deputy Inspector of Schools, recommending that a sum of Rupees 15 per mensem be granted from Local Funds towards the maintenance of the grant-in-aid school at Julmoor, the local subscriptions of which have declined. The Board approve of this. The charge to be met from General Fund.

EXTRACT from the President's letter dated 13th March 1872, No. 37.

"The grant-in-aid school at Julmoor is neither a rate school nor a lower class school. Unless it belongs to one or other of the above categories the Local Fund Board cannot undertake its support (*vide* Section 10 of the Local Fund Act, paragraphs 2 and 5 of Government Order dated 28th April 1871, No. 563, and Government Order dated 17th August 1871, No. 342).

Read also paragraph 3 of Government Order dated 6th April 1872, No. 469, which runs thus:—

"3. The Government resolve to lay down as a rule that where, for special reasons, Local or Municipal bodies are allowed to take over existing schools of the middle class for which grants other than on the results' system have been sanctioned, the Government grant will be continued whether special taxation is imposed or not, provided, with reference to Government Order, 22nd September 1871, No. 271, Educational Department, that fees at rates approved by the Director of Public Instruction are levied."

The Board observe that Julmoor School was a middle class grant-in-aid school, and, as such, could be maintained from Local Funds provided the Government grant be continued as was promised in the above Order; but the Deputy Inspector of Schools remarked in his letter quoted above that "the Acting Inspector of Schools has placed the grant-in-aid school under the head of lower class schools" with the consent of the three Managers of the school, who were very anxious to break their connexion with the school at any risk. The Board considers that it ought to have been kept informed of the proposed change before it took place, and it therefore considers that

the arrangement between the Acting Inspector of Schools and the nominal Managers of the Julmoor School is not binding upon the Board.

After some discussion as to the desirability of keeping up the school as a middle class one the Vice-President proposed, seconded by Basavarazu Puntalu Gar, that all the papers connected with the subject be laid before the President with a request that he will move Government to continue its grant of Rupees 10 in support of the school, intimating to it that this Board is willing to bear the other half of the charges, not from local taxation for the present considering the distressed condition of the people, but from the general reserve of this circle.

Resolved also that this Board cannot give the pay of the teacher for the time prior to taking charge of the school.
