Proceedings of the Madras Government, Financial Department,
5th February 1872.

No. 11. Read the following Proceedings of the Board of Revenue, dated 11th December 1871, No. 4980:—

Read the following letter from the President of the Local Fund Board, South Arcot, to the Acting Secretary to the Board of Revenue, dated 25th November 1871, No. 85:—

With reference to paragraph 6 of the Proceedings of Government of the 21st October 1871, No. 592, Financial Department, I have the honour to state, for the information of the Board and Government, that the subject of School Unions did engage the attention of the Cuddalore Local Fund Board at their meeting of the 2nd September 1871. They then had laid before them a list of seven Anglo-Vernacular Schools and ten Vernacular Schools qualified under Rule XI.; but, after maturely considering the advisability of the converting them into centres of School Unions, as well as of an alternative scheme of substituting fixed salary grants for results' grants in all existing results' grants schools, they thought it preferable to let the results' grant system alone for another full year, *i. e.*, up to 31st March 1873, before proceeding to the formation of School Unions.

Submitted for the information of Government, with reference to their Order quoted by the Collector.
