

17th September 1872.

No. 98. Read the following Proceedings of the Board of Revenue, dated 20th August 1872, No. 5759 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Canara Circle, to the Secretary to the Board of Revenue, dated Mangalore, 6th August 1872, No. 335 :—

I have the honour to submit a list showing the names of persons to be appointed, if approved, by Government under Section 33 of the Madras Local Fund Act No. IV. of 1871, as Presidents, Vice-Presidents, and Members of Local Committees for the management of the several Union Schools and Dispensaries under the Local Fund Board of this Circle.

2. I beg, also, to enclose a copy of the minute of the Local Fund Board on the subject, dated the 29th July 1872.

3. The Local Fund Board propose to make the Tahsildars ex-officio Presidents of all Local School Committees within their taluqs, as they are of opinion that these officers will, by virtue of their high position in the taluqs, exercise a beneficial influence in the unions in all matters connected with education, and as they are constantly travelling about their taluqs they are in a measure cosmopolitan.

4. As it is impossible to expect the Tahsildars to do the work required of a President in all Union Schools in their taluqs at one and the same time, persons are for this purpose recommended for appointment as Vice-Presidents.

5. From a recent Order* of Government in the Financial Department (which

*Refusing sanction to the appointment of a Union Committee proposed for the Tadpatry School, it not appearing that the members are the residents of the union (*Fort St. George Gazette*, 1872, page 605).

has, however, not been communicated to this Board), it appears that it is the desire of Government that members of Local Committees should be residents of the unions, and if so, the Tahsildars now recommended

for appointment as Presidents of the unions which are not situated in their cusbahs will be disqualified for such appointment. The Local Fund Board, however, trust that, for the reasons mentioned in paragraph 3, Government will be disposed to make an exception in favour of such officers.

6. I beg to add that, owing to the above Order of Government, the Local

Committees already sanctioned† by Government for the management of the five old Rate Schools in this

circle have been revised, and the present list provides for all the twenty-five Union Schools now in existence.

Submitted for the orders of Government.

No. 335.

From,

H. S. Thomas Esq^{re},
President of the Local Fund Board,
Cannara Circle.

To,

Secretary to the,
Board of Revenue.

Sir,

I have the honor to submit a list showing the names of persons to be appointed, if approved, by Government under Section 33 of the Madras Local Funds Act, No. IV of 1871, as Presidents, vice Presidents and members of local Committees for the management of the several Union schools and Dispensaries under the Local Fund Board of this Circle.

2. I beg also to enclose a copy of the minute of the Local Fund Board on the subject, dated the 29th July 1872.

3. The Local Fund Board propose to make the Talildars ex-officio Presidents of all Local school Committees within their Taluqs, as they are of opinion that

that these Officers will, by virtue of their high position in the Taluqs, exercise a beneficial influence in the Unions in all matters connected with education, and as they are constantly travelling about their Taluqs they are in a measure cosmopolitan.

4. As it is impossible to expect the Tahsildars to do the work required of a President in all Union schools in their Taluqs at one and the same time, persons are, for this purpose, recommended for appointment as vice Presidents.

5. From a recent ⁽¹⁾ Order of Government refusing sanction to the appointment of a Union Committee proposed for the Tadpatry school, it not appearing that the members are the residents of the Union (Fort Saint George Gazette 1872, Page 605). -

in the Financial Department (which has however not been communicated to this Board) it appears that it is the desire of Government that members of Local Committees should be residents of the Unions, and if so the Tahsildars now recommended for appointment as Presidents of the Unions which are not situated in their Purbas, will be disqualified for such appointment. The Local Fund Board however trust that, for the reasons

reasons mentioned in para 3, Government will be disposed to make an exception in favor of such officers.

6. I beg to add that owing to the above order of Government, the Local Committees already sanctioned by Government for the management of the 5 old Rate schools in this Circle, have been revised, and the present list provides for all the 25 Union schools now in existence.
