17th September 1872.*

No. 111. Read the following Proceedings of the Board of Revenue, dated 3rd September 1872, No. 1755 :—

Read the following letter from Lieutenant-Colonel W. T. F. FAREWELL, s.c.,
Officiating Superintending Engineer, 7th Division, to the Secretary to
the Board of Revenue, dated Ootacamund, 29th June 1872, No. 63 :—

At the request of the Collector of South Canara, I have the honour to
forward his letter, No. 748, of 22nd June 1872, with its three enclosures.

ENCLOSURE No. 1.

From H. S. THOMAS, Esq., Collector of South Canara, to the Secretary to the Board of
Revenue, dated Mangalore, 22nd June 1872, No. 748.

With reference to paragraph 2 of the Board's Proceedings, dated the 8th January last,
No. 53, I have the honour to report that both the Mangalore Municipal Commissioners and
the Local Fund Board of this Circle having been consulted as to whether they are willing to
take charge of any of the travellers' bungalows in this district, the former have alone signified
their willingness to take over the bungalow at Mangalore, while the Local Fund Board have
not yet intimated to me their final decision on the subject. In one of their recent meetings,
however, the matter was discussed, when all the members present expressed their decided disap-
proval of any more burdens being thrown on their scanty resources in the way of the maintenance
of travellers' bungalows, from which they conceived the native inhabitants of the district derive
little or no benefit. I am, therefore, virtually satisfied that none of the bungalows in the district
will be taken over by the Local Fund Board, and kept up from Local Funds.

2. The question therefore arises as to what is to be done with these buildings in future.
I am not prepared just now to offer any proposals on the subject, but beg to state that a few of
them may possibly be taken charge of by the District Officers in spite of their small number and
their already maintaining at present twenty buildings from their private funds. The others must
be sold or utilized in the best manner we can.

3. I propose to address the Board shortly on this subject, after receiving the final decision
of the Local Fund Board, and also ascertaining the wishes of the District Officers as to any
bungalows they may like to retain. In the meantime, I have the honour to request the orders
of the Board for the transfer of the Mangalore Bungalow to the Municipality. As this bunga-
low stands in need of the annual monsoon repairs, I have informed the Municipal Commissioners
that they may at once take charge of the building in anticipation of the Board's sanction, and
these repairs will thus fall upon them instead of the Government. To this they have agreed.
I have made over to them at the same time the little furniture that remained in the bungalow.

4. I beg to inform the Board that out of the sum of Rupees 1,470 allotted from the surplus
funds of other districts for the repairs of travellers' bungalows in this district, in the Budget
List circulated with the Board's Proceedings above adverted to, an outlay of Rupees 494-1-1 was
incurred in the past year on the repairs of some of the bungalows entered in the above list, and
a further amount of Rupees 1,104 is required for the completion of the above repairs. Whether

the bungalows are eventually retained by Government or not, it seems unadvisable that their repairs should be neglected, while funds are now available as shown in the margin, and I beg, therefore, to submit a detailed list of the bungalows for the repair or completion of the repairs of which money is required in the current year, and request that the same may be sanctioned and the necessary funds placed at the disposal of the Public Works Department. The estimates for these repairs were submitted to the Board, and, on the understanding that they were approved in their Proceedings dated the 15th February 1872, Miscellaneous No. 1,138, are being acted on by the Engineer's Department, with the exception of that for the repairs of the Seerady Bungalow, for which a revised estimate of Rupees 310 has been found necessary, and is herewith submitted for sanction.

5. I take this opportunity to state that, not having yet received the orders of the Board on the Bungalow Fee Fund Budget of the current official year, and the several buildings being in need of monsoon repairs, I have issued orders for the usual repairs being carried out at an aggregate cost of Rupees 212, as per accompanying detailed estimate, which I trust may be sanctioned. It will be seen that the amount can be met from the available funds.
