No. 125. Read the following letter from the Examiner of Medical Accounts, to the Controller of Military Accounts, Fort St. George, dated Fort St. George, 12th September 1872, No. 1264 :—

In Order of Government, No. 252, of 7th March 1872, Financial Department, three Clerks were sanctioned for the Store Department of this Office at the expense of Provincial Funds, subject to report at the end of six months as to the necessity for their continuance. A subsequent correspondence took place on this subject and will be found in Proceedings of Government, Financial Department, No. 518, of 17th April 1872, No. 756, of 7th June 1872, and No. 820, of 24th June 1872. In the last of these no mention is made of the necessity for any further report, but in case it is required I have the honour to state that the services of these Clerks are absolutely necessary to enable me to furnish the valuation statements required for issues made from the Medical Stores to the Civil Department. The necessity for them being already fully recorded in the Proceedings of Government quoted above, I beg that Government may be solicited to sanction these three Clerks as a permanent addition to this office establishment.
