Proceedings of the Madras Government, Financial Department,
19th September 1872.

No. 127. Read the following telegram from the Chief Secretary, Bombay, to Financial Secretary, Simla, dated 7th September 1872 :—

With reference to Circular, No. 2017, dated 17th August 1872, may the forms A., B., C., be for the year 1872-73 instead of the estimated amount and incidence in 1873-74? The latter will be practically worthless and lead to delay and confusion. The former will really show the full taxation of the country in 1872-73 with accuracy, and more than this cannot be desired. Answer immediately.

Telegram from Financial Secretary, Simla, to Chief Secretary, Bombay, dated 10th September 1872, No. 2763.

Provincial, Local, and Municipal figures for 1873-74 cannot be dispensed with, as the inquiry affects that year. But figures for 1872-73 will be valuable and should be given separately.

Copy forwarded to the Government of Madras with a request that it will, if possible, supply figures of 1872-73 also.
