Proceedings of the Madras Government, Financial Department,
20th September 1872.

No. 139. Read the following Proceedings of the Board of Revenue, dated 13th September 1872, No. 6252 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Salem, to the Secretary to the Board of Revenue, dated Salem, 2nd September 1872, No. 537:—

With reference to the Proceedings of Government, No. 311, of the 14th March last, calling for a report on the qualifications of Mr. Oliver, Apothecary at Yercaud, and the terms of agreement with him, I have the honour to state as follows.

2. Mr. Oliver passed three years at the Medical College, Madras (1857 to 1860), but left it in 1860 without passing the final examination, as he was unwilling to enter the Government Service owing to the introduction of certain new regulations. Subsequently, in 1861, he was employed under the Irrigation Company, where he continued till 1865, when, on the stoppage of the works, he was placed in charge of Messrs. Parry & Co.'s estates in Wynaad, whence he removed in 1870 to the Shevaroy Hills, where he now is.

3. His medical experience, combined with his local knowledge, being all that can be desired, the Local Fund Board recommend his entertainment, at least until the actual requirements of the locality can be ascertained.

4. The terms of agreement with him are embodied in the annexed document (to be returned).

5. The Local Fund Board also recommend the employment of an Assistant on Rupees 25 per mensem to compound medicines, and generally to follow Mr. Oliver's directions.

6. Copies of the resolution of the Local Fund Board, and of the letter received from the Zillah Surgeon on the subject, dated 1st May 1872, No. 89, are herewith forwarded for the information of Government.

Extract from the Proceedings of the Local Fund Board, Salem Circle, dated 29th May 1872.

Read letter from the Zillah Surgeon, dated 1st instant, No. 89, in reference to Government Order, No. 311, of the 14th March last.

Paragraph 9. Resolved that this letter be forwarded to Government; and that, as Mr. Oliver's qualifications appear to be all that can be desired, Government be requested to sanction the entertainment of his services for the Yercaud Dispensary on a salary of Rupees 50 with a compounder on Rupees 25; and that, in anticipation of the sanction of Government, their services be entertained from the 1st proximo, when the dispensary will be opened.

(True Extract.)

Salem, (Signed) C. T. LONGLEY,
2nd September 1872. *President.*

From the Zillah Surgeon, Salem, to the President of the Local Fund Board, Salem, dated 1st May 1872, No. 89.

In reply to your letter, No. 187, of the 16th ultimo, enclosing Government Order, No. 311, of the 14th March, I have the honour to state that I yesterday had an interview with Mr. Oliver of Yercaud, and to report as follows for the information of Government.

2. Mr. Oliver passed three years at the Medical College, Madras (1857 to 1860), but left without undergoing the final examination, as, owing to the introduction of certain new regulations, he declined to enter the Government Service.

3. In the following year he was examined by a Committee consisting of the then Director-General, Medical Department, the Superintending Surgeon, and the Secretary to the Director-General, and was by them passed as qualified for employment in the Irrigation Company, where he remained until 1865 when he left on account of the stoppage of the works.

4. From 1865 to 1870 he was employed in charge of Messrs. Parry & Co.'s estates in the Wynaad when he removed to the Shevaroy Hills, where he now is.

5. From the character of his duties during the past ten years or more, as well as from the result of my personal observation and experience of him during the past year or two, I consider him well-qualified for the proposed duty.

6. As regards the nature of the agreement to be entered into, I beg to suggest the following as the principal heads :—

1*st.*—Regular daily attendance at fixed hours (say 8 to 10 A.M. and 4 to 5 P.M.) as may be found most convenient to the public.

2*nd.*—Attendance at other times in case of emergency.

3*rd.*—The general charge and responsibility of the institution, including more especially the following points :—

(*a.*) Custody and issue of medicines.
(*b.*) Checking and disbursing all miscellaneous current expenditure.
(*c.*) Preparing and submitting the usual periodical returns and reports.

To these terms Mr. Oliver is prepared to agree, and when roughly sketched by me at a recent meeting they appeared to meet with the concurrence of the members of the Board generally.

7. As I understand it is the intention of the Board to employ an Assistant on Rupees 20 or 25 per mensem, to remain always on the spot, who will be qualified to compound medicines, and generally to carry out Mr. Oliver's directions, I think the above arrangement (at least as a temporary measure, or until the probable attendance and requirements are more accurately ascertained) will be found to answer satisfactorily.

Submitted for the orders of Government with reference to the Government Order quoted by the Collector.

(True Copy and Extract.)
