No. 164. Read the following Proceedings of the Board of Revenue, dated 20th September 1872 :—

Read again Board's Proceedings, 29th August 1872, No. 1723.

Read also the following letters :—

From the President of the Local Fund Board, North Arcot, to the Secretary to the Board of Revenue, dated Palmanair, 8th August 1872, No. 359.

In their Proceedings of the 10th ultimo, No. 4772 (Miscellaneous) I am, requested to point out, with reference to the estimate, Rupees 8,800, for repairing the damages sustained by the road from Arcot to Arnee, how funds can be provided. The Board at the same time remark that there is no information before them as to the actual balance of the Road Fund at the beginning of the year.

2. The actual balance at the end of last year has not yet been made out, and even if it is, I do not expect to find that the actual will be much greater than the estimated balance, for although it is true that Rs. 10,000 allotted for the Cheyaur to South Arcot frontier road were unspent, still the land cess receipt was much below the estimate.

3. Besides the estimate for the road from Arcot to Arnee above referred to, and amounting to Rupees 8,800, the Local Fund Board of the Vellore Circle have passed six other estimates for emergently repairing the roads noted in the margin. Sufficient provision had been made in the budget for the maintenance of all these roads, but by the

storm of May 2nd, and the floods caused by bursting of tanks, they have been seriously damaged, and in many places have to be entirely remade. The total amount of the estimates for the emergent repair of these roads is Rupees 5,575 + 8,800 = 14,375.

4. The estimated receipts for this year are fully allotted, and no funds are available wherewithal to prosecute these emergent repairs.

5. I have the honour, therefore, at the instance of the Local Fund Board, to request that the Board of Revenue will be pleased to move Government to sanction a grant for this purpose from Provincial Service Funds or from some other source.

6. An extract from the Proceedings of the Local Fund Board of the Vellore Circle, dated 8th July 1872, touching this subject, is enclosed for the information of the Board of Revenue.

From the President of the Local Fund Board, North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 29th August 1872, No. 416.

In reply to the Proceedings of the Board, dated 20th instant, No. 5750 (Miscellaneous), I have the honour to refer them to my letter of the 17th instant, No. 386, in which I have recommended a transfer of funds to meet the emergent

expenditure referred to. That expenditure, as far as can be at present ascertained, amounts to Rupees 14,375 only, as already stated in my letter referred to by the Board.

The Board observe that, of the sum of Rupees 14,375 required for emergent repairs in the Vellore Circle, Rupees 12,240 can be provided by transfer from New Works to Repairs as proposed in the Vice-President's letter of the 12th August 1872, and the sanction of Government will be requested for this transfer.

2. The balance, Rupees 2,135, is sanctioned from the Reserve, and the Accountant-General is requested to place it at the disposal of the Public Works Department.

3. Though by these arrangements the necessity for a special grant from Provincial Funds in the current year is obviated, the Board resolve to bring to the notice of Government the claims of the circle to an increased grant in 1873-74, in consideration of the extent to which its roads suffered in the cyclone of May last.

No. 165. ORDER THEREON, 26th September 1872, No. 1279.

The proposed transfer of funds is sanctioned.

2. The delay in closing the accounts for last year should be explained.

3. In submitting his Budget Estimates for 1873-74, the President will bring forward the claim for a larger grant from Provincial Funds.
