No. 173. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 4th September 1872, No. 345:—

Treasury Account Department.

I have the honour to forward copy of a letter* from the Inspector-General, Indian Medical Department, and to solicit the orders of Government regarding the source from which the salaries of pre-collegiate Medical Pupils attached to hospitals and dispensaries transferred to Local Fund Boards are to be met, as I am doubtful whether Government intend the charge to be borne by these bodies, or to be passed against the Provincial Service Grant.

* No. 5727, dated 2nd Sept. 1872.

From the Inspector-General, Indian Medical Department, to the Accountant-General, Fort St. George, dated Fort St. George, 2nd September 1872, No. 5727.

I have the honour to mention that the pre-collegiate students, attached to hospitals and dispensaries, are merely scholars under preparation for the Madras Medical College; their position is no way altered by the introduction of the Towns' Improvement and Local Funds' Bills; they are in precisely the same position as their predecessors, and are not servants of the dispensaries.

No. 174. ORDER THEREON, 27th September 1872, No. 1284.

The salaries in question should be charged in the same manner as they were before the Dispensaries were transferred to the Municipalities.
