RESOLUTION.—In order to save correspondence that appears to be unnecessary, the Governor-General in Council is pleased to authorize Accountants-General to admit, without reference to the limits or terms of the grants of the year, all expenditure *duly sanctioned*, whether before or after the annual grants are made.

2. No supplementary grants need henceforth be sought to cover such expenditure. But the want of provision in the annual grants for any sanctioned expenditure should be promptly represented to the Government of India, or the Provincial Government, as the case may be.

3. Supplementary grants will, in future, be necessary only in case the amount assigned for some contingent expenditure is found insufficient. Otherwise, it will suffice to refer, in the appropriation statements, to supplementary sanctions of expenditure and to omissions of sanctioned items from the grants.

ORDER.—Ordered that a copy of this Resolution be forwarded for the information and guidance of the Comptroller-General, and of each Accountant-General and Deputy Accountant-General in independent charge.

Copy is also to be forwarded to each Department of the Government of India and each Local Government, with the intimation that the Resolution is not intended to lessen the responsibility of Local Governments and other authorities applying for or granting sanction to expenditure not provided for in the annual grants for showing or considering how the needful funds are to be provided.

On the contrary, the object and scope of the Resolution is rather to increase that responsibility by confining it to the Local Governments and the Government of India. The Audit Officers will henceforth be entitled to assume that the point has been fully considered before any expenditure not provided for in the estimates is sanctioned.
