*Proceedings of the Madras Government, Financial Department,
30th September 1872.*

No. 190. Read the following letter from the Officiating President of the Municipal Commission, Mayaveram, to the Chief Secretary to Government, Fort St. George, dated Tanjore, 18th September 1872, No. 235 :—

I have the honour to forward copy of a communication from the Vice-President of the Mayaveram Municipality, enclosing a resolution of the Commissioners, in which they request, under Section 38 of the Municipal Act, the sanction of Government for exempting all barbers, washermen, and potters from payment of the tax on arts, trades, and professions.

2. The pressure of municipal taxation is very severely felt by the above-mentioned classes, and I beg to recommend that Government will be pleased to accede to the request of the Commissioners.

From the Vice-President of the Municipal Commission, Mayaveram, to the President of the Municipal Commission, Mayaveram, dated Mayaveram, 14th September 1872, No. 428.

I have the honour to forward a copy of resolution passed at a meeting of the Commissioners held on the 9th September 1872, and to request that you will be good enough to apply, in accordance therewith, for the sanction of Government for exemption from arts and trades tax of the classes therein named.

2. The barbers and washermen are as a class very poorly paid. Their condition in this town is precisely the same as that of barbers and washermen in the villages. In former years some of them have been taxed, but the tax has invariably been remitted on appeal. This year the professional tax list has been prepared with the greatest care, and all persons of these classes have been omitted on account of their poverty.

3. The potters are as a class very poor. Their trade, moreover, comes under Section 129, and cannot be carried on without a license under Section 130, for which a fee of Rupees 2 is exacted for each pottery kiln. These persons have hitherto been paying arts and trades tax as well as the license fee, but the Commissioners are of opinion that this double taxation falls with undue weight upon them. Either the license fee or the professional tax should be remitted, and the Commissioners would prefer to retain the license fee as being better adapted to the pottery business.

EXTRACT from the Proceedings of the Municipal Commissioners for the Town of Mayaveram, dated 9th September 1872.

Paragraph 5. Six appeal petitions against the house-tax and four appeal petitions from potters against the license fees.

With reference to house-tax appeals the Vice-President, in conjunction with the Commissioner who made the assessment, is requested to inspect each house and report to the Commissioners.

Ordered with reference to the appeals against the license fees that these appeals be rejected, and that the Government be applied to, under Section 38 of the Act, to exempt all barbers, washermen, and potters from payment of tax on arts and trades.

No. 191. ORDER THEREON, 30th September 1872, No. 1296.

Under the provisions of Section 38 of Madras Act III. of 1871, the Governor in Council sanctions the exemption from tax on arts, &c., of all barbers, washermen, and potters in the Mayaveram Municipality.
