Proceedings of the Madras Government, Financial Department,
10th October 1872.

Read the following papers:—

No. 100. From the Director of Public Instruction, to the Chief Secretary to Government, Fort St. George, dated Madras, 4th September 1872, No. 1927.

In G. O., Financial Department, No. 684, of the 28th May last, Deputy Inspectors of Schools were constituted members of the Local Fund Circles in which they are employed.

2. I have now to suggest that Inspectors of Schools should be made ex-officio members of all Municipalities within their divisions; and that similarly Deputy Inspectors should be made ex-officio members of the Municipalities within their ranges.

Before acting on the proposal made in the foregoing letter, the Governor in Council requests that the Director of Public Instruction will state the grounds upon which it is based.

(Signed) W. HUDLESTON,
Secretary to Government.

No. 101. From the Director of Public Instruction, to the Chief Secretary to Government, Fort St. George, dated Madras, 20th September 1872, No. 2076.

I have the honour to acknowledge receipt of G. O., Financial Department, No. 1199, of the 12th instant.

2. I beg to observe that Inspecting Officers are connected with education in Municipalties in the same way in which they are with education in Local Fund Circles; there is, therefore, the same advantage to be expected from their being members of Municipal Commissions as from their being members of Local Fund Boards. In both positions they should advise whenever educational measures are under discussion; and it is evident that they are the most competent, perhaps the only competent persons for the duty.

3. Had the Inspector of the Presidency Division and his Deputy for Madras been members of the Madras Municipal Commission, the omission to provide funds for elementary education in this town could scarcely have occurred.

No. 102. ORDER THEREON, 10th October 1872, No. 1371.

The Governor in Council approves of the recommendation made by the Director of Public Instruction that Inspectors and Deputy Inspectors of Schools should be made ex-officio members of the Municipalities in their respective ranges, but, before notifying the appointments, resolves to call on the Presidents of all Municipalities to report whether the proportion of the official members on each
