Proceedings of the Madras Government, Financial Department,
10*th October* 1872.

No. 105. Read the following letter from the Officiating Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 24th September 1872, No. 377 :—

Audit Department.

I have the honour to enclose the docket received from the President of the Local Fund Board, Bellary, and its enclosures, and to request that I may be informed whether the countersignature of the Deputy Inspector-General, Indian Medical Department, of the Division, is necessary on bills for contingent charges incurred in Civil Dispensaries attached to Local Fund Boards in the Provinces. I am of opinion that the countersignature of the Deputy Inspector-General is necessary to show that a proper departmental check is exercised over all medical contingent charges, though the Local Fund Rule LVI. (quoted by the Collector and President) demands only that of the President or Vice-President.

No. 106. ORDER THEREON, 10th October 1872, No. 1373.

The Government see no necessity for any further check on the expenditure incurred in Civil Dispensaries, under the control of Local Fund Boards, than that provided in Local Fund Rules LV. and LVI.
