No. 138. Read the following letter from the Officiating Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 1st October 1872, No. 396 :—

Book Department.

The Collector of Bellary quoting G. O., Public Department, No. 604, of 10th May 1869, recommends that the funds of Civil Dispensaries transferred to Municipalities should stand in Savings' Bank in the name of the President of the Municipal Commission instead of, as at present, in the names of the Collector and Civil Surgeon who, as such, have now nothing to do with municipal money.

2. He points out that the Collector is the President of these Commissions, and consequently that the change would in effect merely relieve the Civil Surgeon of all concern.

3. As a question of account or of security there is, of course, no objection to such a change; and, unless considerations with which I have no concern can be urged against it, I recommend Government to sanction the change, and to order that such monies be lodged in the name of the President of the Municipal Commission, instead of the joint names of Collector and Civil Surgeon.

No. 139. ORDER THEREON, 10th October 1872, No. 1394.

The change is approved.

2. The Accountant General will issue any instructions necessary to give it effect.
