No. 190. Read the following Proceedings of the Board of Revenue, dated 7th October 1872, No. 1982 :—

Read the following letter from C. T. LONGLEY, Esq., President of the Local Fund Boards, Salem District, to the Secretary to the Board of Revenue, dated 9th September 1872, No. 563 :—

With reference to the accompanying extract from the Proceedings of the Local Fund Board, Salem Circle, dated 28th ultimo, I have the honour to forward, herewith, plan and estimate for constructing a skew bridge on the 19th mile of the Salem and Cuddalore road near Kristnapuram, and to request that you will be good enough to obtain the sanction of Government for the same.

2. The estimate for the work in question amounts to Rupees 7,220; but the budget for the current year contains no provision for this bridge.

3. The Local Board have therefore resolved to transfer the sum of Rupees 3,000, entered in the current year's Budget for a bridge on the Namkul and Trichengode road, (the construction of which has been postponed to next year) to the work in question, in view to the same being spent in the construction of the piers and abutments, leaving the arches to be turned next year. The balance of the estimate, viz., Rupees 4,220, will be entered in the Budget for 1873-74.

4. The skew bridge in question is to be executed by the Department of Public Works, and is, in the opinion of the Board, a most important and useful one, as the traffic on the road is very considerable.
