Proceedings of the Madras Government, Financial Department,
21st October 1872.

No. 192. Read the following Proceedings of the Board of Revenue, dated 29th August 1872, No. 1717:—

Read the following letter from G. D. LEMAN, Esq., Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 10th August 1872, No. 2,127.

With reference to Miscellaneous Proceedings* No. 5,187, dated 30th July 1872, I have the honour to state that I have received no instructions on the re-arrangement of Department Public Works Ranges and Local Fund Circles.

* G. O. No. 901 of 18th July 1872, Financial Department.

2. On the receipt of G. O. No. 2,229, dated 1st September 1871, Public Works Department, the Superintending Engineer addressed Mr. Boswell proposing the transfer of Repalli Taluq to Guntur Local Fund Circle. But nothing has transpired since, at least as far as my Office records can show. The Government say in their remarks under "*Kistna*" that "the Circles have already been altered so as to coincide with the arrangement of ranges." But Repalli lying on the other side of the river in the Western Delta Range, and forming a part of the Guntur portion of the district, still belongs to the Masulipatam Local Fund Circle. I therefore request to be informed whether I am to consider the orders of Government under notice as definitive, and if I am to transfer Repalli to the Guntur Circle at once.

Submitted for the orders of Government.
