Proceedings of the Madras Government, Financial Department,
9th February 1872.

No. 37. Read the following Proceedings of the Board of Revenue, dated 23rd January 1872, No. 155:—

Read the following letter from Surgeon G. BIDIE, M.B., Secretary, Inspector-General, Indian Medical Department, to the Secretary to the Board of Revenue, dated Fort Saint George, 17th January 1872, No. 331:—

I HAVE the honour, by desire of the Inspector-General, to offer the following remarks on the Local Fund Budget Estimate for 1872-73 of the Nellore Circle, and the Proceedings of the Board of Revenue, No. 5,028, of 14th December 1871.

2. The allotment of Rupees 870 for the Ongole Dispensary will be sufficient, provided the Local Fund Board are satisfied with having a Hospital Assistant in charge of the institution, but if in accordance with their recent request a Warrant Officer be sanctioned, his pay alone will amount to much more than the sum now set apart.

3. The item of Rupees 500 "Employment of Medical Practitioners" is, it is understood, to be devoted to the training of young men in the Civil Dispensary, Nellore, with the view of their eventually becoming practitioners in the district. The grant seems sufficient, and as its object is a subject of great importance, it will, when fully considered by the Inspector-General, form the subject of a communication to Government.

4. The contribution of Rupees 510 to the Civil Dispensary at Nellore will leave a balance of about Rupees 2,260 to be provided by the Municipality. The grant of Rupees 1,200 to the Branch Dispensary will be sufficient, there being a probable income of about Rupees 500 as interest on invested capital, while the expenses of the hospital amount to about Rupees 1,608.

SUBMITTED to Government in continuation of Board's Proceedings, dated 14th December 1871.
