No. 223. Read the following letter from the President of the Municipal Commission, Salem, to the Chief Secretary to Government, Fort St. George, dated Salem, 7th October 1872, No. 108 :—

In continuation of my letter of the 17th ultimo I have the honour to enclose the following bye-law passed by the Municipal Commissioners at their meeting of the 24th ultimo, and to request you will be so good as to obtain the sanction of Government thereto :—

"No empty bullock cart or other conveyance shall ply for hire in any street, but shall remain stationary at one or other of the stands set apart for the purpose by the Municipality."

2. The above bye-law is necessitated by the fact that great inconvenience is caused to passengers and laden carts by these empty vehicles constantly passing up and down and obstructing the thoroughfares, a nuisance which can only be put a stop to by assigning special stands for empty vehicles and compelling them to remain on the same.

No. 224. ORDER THEREON, 23rd October 1872, No. 1444.

Sanctioned on the understanding that there is a sufficient number of cart-stands to prevent inconvenience to those wishing to hire carts and injury to the cart-owners.
