Proceedings of the Madras Government, Financial Department,
24th October 1872.

No. 232. Read the following Proceedings of the Board of Revenue, dated 18th October 1872, No. 7000 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Nellore, to the Secretary to the Board of Revenue, dated Nellore, 1st October 1872, No. 552.

I have the honour, with reference to Resolution No. 149 of 1872 of the Local Fund Board of Nellore, to request that Government be moved to make over the old military building and out-houses to the Local Fund Board for the dispensary at Ongole, the new smaller one proposed for the dispensary and in course of erection being adapted and handed over in exchange to the Police for an office for the Assistant Superintendent. At present he shares the old building with the Civil and Police Dispensaries.

2. The accommodation in the new building is quite sufficient for the wants of the Police, and the advantages derived from having a large and commodious building for the Civil and Police Dispensary will be very great. The Local Fund Board are prepared to execute all the necessary repairs, &c., to the old building.

3. This scheme has been approved by the Medical authorities, and the Officiating Superintending Engineer informs me after inspection that it can be carried out with advantage.

Submitted for the orders of Government.

The Government

sanction the proposed arrangement.

Note The military building is at present used as the office of the Asst Supt of Police and after the Civil and Police Dispensaries. A new building is going to be put for the Dispensary but it is more convenient for this building & the Rs 7-13 for the Dispensary and give the new building to the Asst Supt of Police. As the building is at present in the occupation of the Civil authorities it does not seem necessary to call the Commander-in-Chief but perhaps the Inspector Genl of Police might be consulted.
