Proceedings of the Madras Government, Financial Department,
***9th February* 1872.**

No. 39. Read the following Proceedings of the Board of Revenue, dated 29th January 1872, No. 692 (Miscellaneous):—

Read the following letter from the Secretary to the Inspector-General, Indian Medical Department, to the Secretary to the Board of Revenue, dated Fort St. George, 23rd January 1872, No. 436:—

I have the honour, by desire of the Inspector-General, to intimate to the Board of Revenue that the contribution of Rupees 5,650, in the Local Fund Budget Estimate for 1872-73 of the Madanapally Circle, for the maintenance of the local dispensary will apparently be sufficient, as there will also be some interest to be received on account of the capital which Government directed to be transferred to this Circle in G. O., No. 712, of the 28th November 1871. No information has as yet been received as to whether the private contributions in behalf of this Hospital have been kept up as in former years during 1871-72.

Submitted to Government in continuation of Board's Proceedings, dated 12th January 1872, No. 101.

2. It is observed that the Budget Statement IV. contained a sum of Rupees 720 contributed from the Cuddapah Fund, which represents the interest on the capital in question.
