The Commissioners for the town of Trichinopoly having, in their Proceedings of the 5th instant, resolved, in accordance with the expressed wishes of the Brigadier-General Commanding, and on account of the danger caused to the public, that a bye-law be passed prohibiting cattle from being driven in the middle of the Cantonment roads, I have the honour to enclose the proposed draft bye-law for the sanction of Government.

Proposed Bye-law.

Droves of cattle are to be kept on the sides of the roads only, and are to be in charge of a sufficient number of attendants to prevent them straying into the middle of the roads and so causing danger and obstruction to vehicles passing.

Address Read 25th Oct 1872 — No. 23. Forwards the enclosed draft Bye-Law for the sanction of Government.

Write an Order

Draft Bye-Law for one month in Council sanctions the Bye-Law, and directs that it be published for one month, in the District Gazette.

Read — The object is a good one and desired by the brigadier commanding. The mere promulgation of the Bye Laws will probably answer for all purposes, and as there is no penalty attached there can be no oppressive prosecutions.
