Proceedings of the Madras Government, Financial Department,
***1st November* 1872.**

No. 12. Read the following letter from the Inspector-General of Hospitals, Indian Medical Department, to the Secretary to Government, Fort St. George, dated Fort St. George, 3rd September 1872, No. 288:—

I have the honour to forward, for submission to His Excellency the Governor in Council, a letter* from the President of the Municipalities of Ganjam, with two estimates.

* No. 45, dated 29th March 1872.

One of these, amounting to Rupees 387, is for the construction of six huts, one cook-room, and one latrine for the accommodation of high-caste patients.

The other is for Rupees 564, being for the establishment and for the furniture needed for the above.

2. It would have been preferable to have had before me a plan of the intended structures, however rough; but the sum is very moderate, and I beg to recommend that the estimates be sanctioned.

3. I have not been in a position to dispose of this reference until completion of the standard plan which the Sanitary Commissioner and myself were ordered to prepare; but, that having been sent in, I now submit these estimates for orders.

From the Acting President of the Municipal Commissions in Ganjam, to the Inspector-General, Indian Medical Department, dated Russelcondah, 29th March 1872, No. 45.

Adverting to G. O. of the 30th November 1871, No. 1789, I have the honour to forward herewith, countersigned, for submission to Government, if they meet with your approval, two estimates: one, amounting to Rupees 387, to construct six huts, one cook-room, and one latrine for the accommodation of high-caste patients who may resort to the Civil Dispensary at Chicacole, and the other for Rupees 564, being the cost of maintaining the above.

2. These estimates were approved of by the Civil Surgeon in charge of the dispensary and submitted by him to the Principal Assistant Collector, who also approves of them.

3. I should add that my Principal Assistant is also Vice-President of the Municipal Commission of Chicacole, to whose charge the dispensary has been recently made over.

No. 13. ORDER THEREON, 1st November 1872, No. 1494.

The Government sanction the estimates submitted with the letter above recorded.
