Proceedings of the Madras Government, Financial Department,
1st November 1872.

No. 17. Read the following letter from the Government Solicitor, to the Chief Secretary to Government, Fort St. George, dated Madras, 21st October 1872, No. 462:—

Referring to the Proceedings of Government noted in the margin, I have the honour to forward, herewith, a Budget Estimate (in duplicate) for the official year 1873-74.

Dated 15th April 1862, No. 289, Financial Department.

No. 18. ORDER THEREON, 1st November 1872, No. 1496.

The Budget Estimate of charges submitted with the foregoing letter on account of "Law Officers" amounts to Rupees 47,330. It exceeds the actuals for 1871-72 (as shown in the estimate) by Rupees 4,694, but falls short of the grant for 1872-73 by Rupees 7,000.

2. The actuals for 1871-72 under the minor head of "Law Charges and Miscellaneous" are given at Rupees 306, but the charge incurred during that period, as per accounts rendered by the Accountant-General, amounts to Rupees 10,046. The Governor in Council is of opinion, therefore, that the probable charge for 1873-74 should not be fixed at less than Rupees 10,500. This will raise the aggregate of the estimate submitted by the Government Solicitor from Rupees 47,330 to Rupees 52,830, which amount is passed for inclusion in the General Civil Budget under "17—Law and Justice."
