Sir,

With reference to the letter from this Department No. 2854 dated the 13th Instant, I am desired to say that the enquiry made in the first paragraph need not be answered. The new rates of pay are understood to be those fixed in the proceedings of the Government of Madras, reported to the Government of India in your letter No. 1169 dated 21st August 1871.

2. Under these circumstances, the Govt. of Madras is right in ruling that these rates are to be taken as net pay in as much as they are actually paid to the men without any deduction for pension.
