No. 23. Read the following letter from the Officiating President of the Municipal Commission, Mannargudi, to the Chief Secretary to Government, Fort St. George, dated Vallam, 26th October 1872, No. 295 :—

With reference to the Order of Government, dated 28th May 1872, No. 683, Financial Department, paragraph 3, I have the honour to report that the sum of Rupees 900 provided in the Budget Estimate of the Mannargudi Municipality for the year 1872-73, under the head of Education, is made up of the following items :—

	Rs.
The Mannargudi Caste Girls' School, at Rupees 20 per mensem	240
The Napier Girls' School, at Rupees 25 per mensem	300
The Eastern Vernacular School, at Rupees 15 per mensem	180
The Western Vernacular School, at Rupees 15 per mensem	180
Total ...	900

2. The contribution payable to the Local Fund Board of the Tanjore Circle on account of the charges for educational inspection is not now ascertainable even with approximate accuracy, as the several Municipal Commissions and the Local Fund Board have agreed to settle the amount in the proportion of the total sum expended by each on education. The contribution may, however, roughly be estimated to be Rupees 300, and the amount of results' grants at Rupees 100.

3. The sum of Rupees 180 under the head of Native Police Allowance, in regard to which explanation is called for by Government in paragraph 4 of the Order, refers to the allowance, Rupees 15, paid out of Provincial Funds to the Native Surgeon in charge of the dispensary at Mannargudi for attending the Police sick, and has been erroneously included in the statement of expenditure. In letter from the President of the Tanjore Local Fund Circle to the Board of Revenue, dated 14th May 1872, No. 190, it has, however, been intimated that the Circle Board are of opinion that at least one-third of the salary of the Native Surgeon should be paid from Provincial Funds.

4. It is believed that the additional expenditure on account of educational inspection and results' grants can be met from the contribution paid by Government under the head of Native Police Allowance above referred to, as also from savings from other items in the estimate, without curtailing the allotment for the water-supply project.
