No. 63. Read the following Proceedings of the Board of Revenue, dated 4th November 1872, No. 7325 (Miscellaneous):—

Read again Board's Proceedings, 12th September 1872, No. 6213 (Miscellaneous).

Read the following letter from the President of the Local Fund Boards, Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 22nd August 1872, No. 89.

I have the honour to submit the accompanying letter, No. 1804, dated the 12th instant, from the Superintending Engineer, 1st Division, applying for funds on account of two boats intended to convey stone materials to different works.

2. The Superintending Engineer having stated the necessity of increasing the floating plant for conveying materials to Local Fund works, the Local Fund Board of the Cocanada Circle have, on the 24th November 1871, passed a resolution to the effect that two boats should be put in hand without delay, and the Board of Revenue have, in their Proceedings, No. 1945, dated 14th March 1872, ordered a sum of Rupees 2,000 to be placed at the disposal of the Public Works Department for the purpose.

3. The two boats which have been proposed to be constructed at the Government Workshop at Dowlaishweram, at an estimated cost of Rupees 5,817 each, would cost Rupees 11,634, from which a sum of Rupees 3,500, already spent by the Public Works Department in the last official year, should be deducted. Thus the amount still to be paid for the two boats, one of which is now reported as completed, is Rupees 8,134, for which the sanction of the Board of Revenue is now requested.

4. The Local Fund Board of the Cocanada Circle have, at a meeting held on the 15th instant, concurred with the Superintending Engineer's opinion, that it is of the greatest importance to get on with this plant to convey stone to numerous works now in progress.

5. Under these circumstances, I request that the Board of Revenue will order the above sum of Rupees 8,134 to be placed at the disposal of the Superintending Engineer of the 1st Division from the balance of the Road Fund left unspent in the Cocanada Circle at the end of the last official year.

The Board observe that the estimated cost of each boat exceeds Rupees 5,000; and as the outlay, therefore, requires the sanction of Government, the President is requested to furnish, at an early date, an estimate for it.

2. On the receipt of the sanction of Government to the estimate now called for, the Board will allot the requisite funds.

(True Copy and Extract.)

(Signed) H. E. STOKES,
Acting Sub-Secretary.

Read also the following letter from the President of the Local Fund Boards, Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 3rd October 1872, No. 99:—

In acknowledging the receipt of the Proceedings of the Board of Revenue, dated the 12th ultimo, Miscellaneous No. 6213, I have the honour to submit the accompanying estimate, amounting to Rupees 11,634, for constructing two iron boats for conveying stone materials, together with a copy of the Superintending Engineer's letter, No. 2344, dated 26th September 1872, and to request that the Board of Revenue will obtain the sanction of Government to the estimate at an early date.

Proceedings of the Madras Government, Financial Department,
19th November 1872.

The estimate for constructing two iron boats, at a cost of Rupees 5,817 each, will be submitted for the sanction of Government.

2. The Superintending Engineer shows that the boats are urgently required in connexion with works now in progress. It seems to have escaped notice at first that the estimate required the sanction of Government, and one of the boats has been completed already.

Proceedings of the Board of Revenue,
dated 12th September 1872.

Read the following:—

No. 89.

From W. S. Foster Esqre
President, L. F. Boards.

To J. Gross Esqre
Secretary to the Board of Revenue
Madras

Sir, I have the honor to submit the accompanying letter No. 804 dated the 12th Instant from the Superintending Engineer 1st Division applying for funds on account of two Boats intended to convey Stone materials to different works.

2. The Superintending Engineer having stated the necessity of increasing the floating plant for conveying materials to Local Fund Works, the Local Fund Board of the Coimbatore Circle came on the 24th November 1871 passed a resolution to the Effect that 2 boats should be put in hand without delay, and the Board of Revenue have in their Proceedings No. 1948, dated 14th March 1872 ordered a sum of Rs. 2000 to be placed at the disposal of the Public

works Department for the purpose.

3. The 2 boats which have been proposed to be constructed at the Government workshop at Dowleswaram at an Estimated Cost of Rs: 5817 each, would Cost Rs: 11,634; from which a sum of Rs: 3,500 already spent by Public Works Department in the last official year should be deducted. Thus the amount still to be paid for the 2 boats, one of which is now reported as completed, is Rs: 8,134. for which the sanction of the Board of Revenue is now requested.

4. The Local Fund Board of the Cocanada Circle have at a meeting held on the 15th instant, Considered with the Superintending Engineer's opinion that it is of the greatest importance to get on with this plant to convey stone to numerous works now in progress.

5. Under these circumstances, I request that the Board of Revenue will order the above sum of Rs: 8,134 to be placed at the disposal of the Superintending Engineer of the 1st Division for the

the balance of the road fund left unspent in the Cocanada Circle at the End of the last official year.
