Proceedings of the Madras Government, Financial Department,
28th November 1872.

No. 129. Read the following Proceedings of the Board of Revenue, dated 31st October 1872, No. 7245 (Miscellaneous):—

Read the following letter from the President of the Local Fund Board, Nellore, to the Secretary to the Board of Revenue, dated Nellore, 19th September 1872, No. 534:—

I have the honour to submit further proposals for the formation of unions in two more of the thirty-eight villages, in respect of the schools in which it was proposed to establish unions for 1872-73, viz., Sulurpett and Vindur.

2. The former of these villages is in the Polur Division, and the latter in the Gudur Taluq. In both these, it has been considered necessary to establish merely vernacular schools.

3. The following arrangements were suggested by the Officiating Deputy Collector with respect to the classification of houses, and these have received the approval and sanction of the Local Fund Board.

4. *Sulurpett Union.*—There are 268 houses in all in this union. Of these, only 136 have been taken into consideration, the remaining 132 having been exempted entirely from the tax. The houses to be taxed have been classified as below:—

Thatched above 5 and up to 10 Ankanams,				6th Class.
Shops		up to 5	do.	
Thatched houses		from 10 to 15 Ankanams,		5th ,,
Do.		from 15 to 20	do.	4th ,,
Do.		from 20 to 25	do.	
Tiled	houses	from 15 to 20	do.	3rd ,,
Thatched	do.	from 25 to 30	do.	
Tiled	do.	from 20 to 25	do.	2nd ,,
Thatched	do.	above 30	do.	
Tiled	do.	above 25	do.	1st ,,

The union embraces the villages of Sulurpett, Sullur, Dagulupalliem, and Gollalamulumu, the three latter being one-eight, one, and 1⅛ miles distant, respectively, from the site of the school at Sulurpett. It extends over an area of 3¼ square miles, and is bounded on the—

North by the southern limits of Kotta Polur.
East by the western do. of Kudiri and Gopareddipalem.
South by the northern do. of Pulivendra.
West by the eastern bank of the Kalangi River.

5. A school for the education of pariahs and chucklers is in existence in this village, supported entirely by the German Mission.

6. *Vindur Union.*—There are 303 houses in this union; only 143 have, however, been classified as below:—

From	5 to 10 Ankanams,	6th Class.
,,	10 to 15 ,,	5th ,,
,,	15 to 20 ,,	4th ,,
,,	20 to 30 ,,	3rd ,,
Above	30 ,,	2nd ,,

No houses have been brought under the 1st class, as the receipts from the tax under the above arrangement suffice to meet the expenditure on the union. The

union extends over an area of eleven square miles, and consists of the village of Vindur with its three hamlets. It is bounded on the—

North by the southern limits of Mittolur, Mahamanur, Kedilipatu, and Mambakh.
East by the western do. of Pilicra.
South by the northern do. of Gudur and Chennur.
West by the eastern do. of Turpugundla.

7. The proposals in respect to sanitation and improvements are similar to those made in respect to the unions already sanctioned.

8. I beg also to request sanction for the undermentioned sums from Circuit Funds:—

	Rs
For school building at Sulurpett	50
,, furniture and books	20
,, schoolhouse at Vindur	85
,, furniture and books	12
,, value of school site	18
Total	185

9. Great difficulty was experienced in procuring a suitable site for the schoolhouse at this village. The Deputy Collector did, however, manage to procure an open piece of ground in as central a position as possible. The ground measures 18 Ankanams, and the owners refuse to part with it for less than 18 Rupees, which I consider a fair price.

10. In conclusion, I beg to enclose, for approval and sanction, a statement showing the particulars of house-tax proposed to be levied in each union, together with revised budgets in the usual form. A draft notification, specifying the limits of each union, is appended for approval and sanction.

Submitted for the sanction of Government.
