No. 5. Read the following letter from the Officiating Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 23rd September 1872, No. 374:—

Audit Department.

The Government of India have forwarded to me a copy of Mr. Officiating Under-Secretary Barbour's letter, dated 13th ultimo, No. 2677, to your address, with an order that I am to report why Mr. F. C. Carr "was permitted to draw acting allowance for the period of transit from Calicut to Vizagapatam, and explain the discrepancy between the statement in his (Mr. Lodwick's) letter, No. 7043, of the 24th January 1872, that Mr. Carr drew pay 'without any acting allowance' for the period during which he was in transit from Vizagapatam to Ganjam, and the statement of the Government of Fort St. George, that he drew for that period the acting allowance he had received at Vizagapatam."

2. Upon reference to the audit registers I find that Mr. Carr was not allowed, for either of the periods named, any pay in excess of that of his permanent appointment, viz., Sub-Collector, and I have the honour, therefore, to solicit that you will be pleased to inform me the authority on which rest statements in paragraphs 5 and 6 of your letter to the Government of India, dated 21st June 1872, No. 799, Financial, in order that I may submit the explanation called for by the Government of India.

No. 6. ORDER THEREON, 2nd December 1872, No. 1597.

Resolved that the Accountant-General be informed that, so far as can be remembered, the statement in paragraph 6 of the letter to the Government of India, dated the 21st June 1872, No. 799, was based on the following passage in Mr. Carr's letter, dated the 14th October 1871, No. 677 (Proceedings of Government, 24th idem, Nos. 101 and 102), viz., "the appointments are of equal grade, viz., Collector and Judge, and there can have been no intention that an Acting Judge sent to act as Collector should receive deputation allowance during joining time, but that the Acting Collector made Acting Judge should not," from which it was inferred that Mr. Carr, when transferred from the post of Acting Judge of Vizagapatam to that of Acting Collector and Magistrate and Agent to the Governor in Ganjam, received deputation allowance during joining time.

2. The authority for the similar statement in regard to the time occupied by Mr. Carr in proceeding from Calicut to Vizagapatam cannot be traced; but, inasmuch as the officiating appointments in this case were of *equal* salary, and in the former case the salary of the second acting appointment was *higher* than that of the first, the assumption made in the letter of this Government would appear to be strictly in accord with the terms of Section 7, Clause (*b*) (1), of the Civil Leave Code, which prescribes that an officer transferred from one officiating appointment to another of *not less* salary shall draw during joining time the acting allowance of his old appointment.

Collector & Judge, and there can have been no intention that an acting Judge sent to act as Collector should receive deputation allowance during joining time, but that the acting Collector made acting Judge, should not." From

It was represented that Mr. Carr when transf.d from the post of acting Judge of Vizagapatam to the Coll.r & Mag.te of the Ct. in Ganjam received Dpt.n allowce during joining time.

~~It appears that Mr. Carr did not~~ ~~draw any such allowce during the period.~~

recruited by Mr. Carr in proceeding from Calicut & Vizagapatam caused the transl. unnecessarily as the officiating appointments in Malabar were of Equal salary. In the former case the salary of the second acting appt was higher than that of the first. The assumptions made in the letter of this Govt. will appear therefore in accordance with the terms of Sec. 7. Cl. (b) (1) of the Civil Leave Code. It is considered that an officer transf.d from one officiating appt to another of equal salary should draw during joining time the acting allowce of his old appt.
